SW SERIES

Keep a grip – VETUS sport steering wheel series

The steering wheel family gains six new members: VETUS presents the expanded steering wheel line-up!

Made from the renowned combination of high-quality polyurethane rubber, leather and polished aluminium, these six steering wheels each emit their own vibe. From the classic wooden Tectona, to the futuristic Argentus and the minimalistic Ravus: all styles are present. Dimensions are kept small to maximize feel and enforce the sporty image, ranging from 300 mm to 350 mm. All steering wheels feature a classy chromed ABS centre cap with the distinctive 'V' logo. Upgrade your interior with one of those stylish steering wheels.

Functional, sporty, polished aluminium: take control with the extended SW-line

The purposeful and sporty appearance of these new steering wheels complements your boat and with the materials used, they are built to last. The six steering wheels will be available from stock from July 2018.

Highlights

- SW series now available in the following diameters: 300, 320, 330 and 350 mm
- Six new models in different colours to suit all vessels
