## WATERLOCKS

## NLP3..15L series

### High volume noise cancellation for your boat

#### The 15 litre NLP3 series

VETUS expands the NLP lineup with the NLP3..15L series!

Its unique three chamber design technology reduces sound by an incredible 10dB more than our already very quiet traditional waterlocks. The inlet chamber can be rotated 360° to ensure a tailor-made fitment in even the most confined spaces. Just like its smaller siblings, the 15 litre version of the NLP fits multiple hose diameters: 60, 75 and 90 mm.

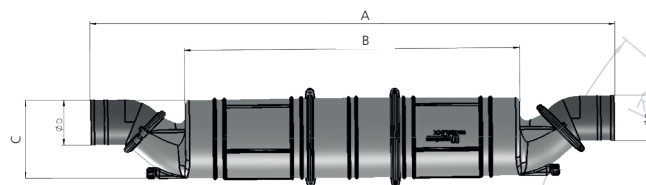

#### The quietest waterlock in the world

Combined with its very low height (only 155 mm) this waterlock is your ideal partner for engines of 49 - 110 hp (36 - 81 kW) with a back pressure of only 0.1 bar or less. With the increased capacity allowing you to use up to a 1,5 times longer exhaust hose compared to the 10 litre NLP3s, you've got more freedom to install the waterlock at a convenient place. Sound attenuation, easy to install and suitable for multiple hose diameters – the NLP3..15L is ready for action and available from stock.

#### Highlights

- Sound reduction of 10dB over traditional waterlocks
- NLP3 design with increased capacity to 15 litres
- Low height (155mm) for use in confined spaces
- Available in three different hose connections: 60, 75 and 90 mm
- Fully rotational inlet chambers for easy installations
- Supplied with two synthetic securing straps and cable ties

Type	Description	Diameter in (mm)	Diameter out (mm)	Capacity (litres)	A (mm)	B (mm)	C (mm)
NLP36015L	Three chamber waterlock	60	60	15	1200	825	155
NLP37515L	Three chamber waterlock	75	75	15	1200	825	155
NLP39015L	Three chamber waterlock	90	90	15	1200	825	155

#### 3 year warranty, unique in the market!

All VETUS boat equipment products come with a 3 year warranty. Because of our long experience, careful choice of materials and stringent quality controls, we have the confidence to offer this warranty. For advice, installation and service you can always rely on our worldwide network of VETUS dealers.
